Hi John,

I spoke to our ethics officer and she confirmed that EPA needs to pay a reasonable fee for the use of the bus. Also, can you please also provide an estimate of the cost of a bus picking us up at the Nantasket Junction train station, as a back-up to Pemberton Pt.

Thanks, Dave

Hi John,

Could the town charge us the cost of the bus from Pemberton Pt or a modest fee, so we're not getting it for free?

We'll be leaving from downtown Boston, either EPA's office at Post Office Sq or the Hotel, which is a few blocks away. Since not everyone is likely staying at the hotel where we got a block of rooms, the EPA office might make the better pickup location.

Dave

Dave, we can get a school bus on Nov. 20th for pick up and drop off from Pemberton. They will make it happen since it is a short trip and busses will be in the area anyway, so no charge.

In the event, the ferry isn't an option because of weather, where in Boston/Cambridge will the pick and drop off at that location b? I will check to see if the bus can be an option for that possibility, which will likely be a cost.

John
